

# Gentle Knife

New prog rock album - **CLOCK UNWOUND**

Global release: **June 15 2017**

**GENTLE KNIFE** is a Norwegian progressive rock ensemble featuring eleven members. With male and female vocalists, multiple guitarists, keys, synths, mellotron, woodwinds and more, their signature sound dips deeply into classic 70s prog rock, with a modern take on the genre.

The relentless passage of time is the main theme of the 2nd album, **CLOCK UNWOUND**, which delves into lives overshadowed by longing and disappointment. Plans go askew, lovers betray and dreams fade. Yet, as a sense of resignation descends upon a dystopic inner landscape, moments of beauty remain. Songs are epic in format, and play across a broad spectrum of emotions.

#### **CLOCK UNWOUND - TRACKLIST:**

1. Prelude: Incipit
2. The Clock Unwound
